

Volunteer Opportunity – Make a Meaningful Connection!

We have a friendly gentleman in the Newnham area who would love some company and a good chat! He has a passion for aeroplanes, model planes, dogs, and football, and he'd truly appreciate a volunteer who can visit for an hour every fortnight.

With limited family support and experiencing some cognitive decline, he simply wants someone to share stories, engage in conversation, and brighten his day. If you have a little time to spare and enjoy friendly chats, this could be a wonderful way to make a real difference in someone's life!

Interested? We'd love to hear from you!
